

Northwestern Consolidated Schools of Shelby County School-owned Instrument Rental Agreement

The Triton Central Band program is happy to provide school instruments for students to rent and use for class based on availability and need.

We offer this service in order to help out families who cannot afford instruments, but want their child to be involved in band. These instruments need to last many years to come. Please help us keep them in the greatest shape possible.

When a student rents a school-owned instrument, maintenance and care of the instrument is the sole responsibility of the student renting the instrument. Any damage incurred due to irresponsibility or that was preventable on the part of the student, will be charged back to the student at the full repair price. Students who treat instruments poorly may not be permitted to rent a school-owned instrument in the future.

The fees listed are for one semester. Please pay this fee as soon as possible. (Make checks payable to Triton Central Band.)
