

Beginning Band Summer Camp 2020
Monday-Friday, July 13-17, 9am-Noon

Triton Central Middle School is proud to offer a FREE Beginning Band Summer Camp for all incoming 6th graders joining beginning band! The school district will be providing free bus transportation every day for band students. The days and times coincide with the first week of the Middle School's Summer School program. Free lunch is also provided for all band students attending the Summer Camp!

The purpose of this Summer Camp is for learning the basics of assembling, playing, and caring for our new instruments. During this camp, students will learn the proper technique for playing notes and reading music. Students will be divided at times to learn the basics for their particular instrument. This camp allows us to get a head start so that we can begin the new school year ready to play music as a full band class.

If you have any questions or concerns regarding Beginning Band Summer Camp or Beginning Band in general, please don't hesitate to contact me.
